DETAILED ACTION

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 6 and 8 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

As to claim 6, line 3, "the developing bias" lacks antecedent basis.

As to claim 8, line 8, "the carrier fly" lacks antecedent basis.

As to claim 8, lines 2-8, "the developing bias ... to suppress the carrier fly" is replete with grammar errors. It appears it is a long run on sentence.

Allowable Subject Matter

Claims 1-5, 7, and 9-17 are allowed over the prior art of record.

Claims 6 and 8 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action.

Response to Arguments

Applicant's arguments with respect to claims 6 and 8 have been considered but are moot in view of the new ground(s) of rejection.

Applicant's response to the rejection to claim 8 in amendment filed 6/26/03 is unclear where applicant states that "the Examiner's rejection of claim 8 appears to actually be to claim 6". It is not understood why applicant made only changes to claim 6 but not claim 8. They are two separate claims.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
